- Once downloaded, open the app and it will prompt you to find "your church" based on your location. Look for Redeemer Church and claim it as "your church".

- Then, every time you open the app on your phone it will automatically connect you to the Redeemer Church giving page.
- To use the app for safe, secure, and efficient giving tap the "Give" icon at the bottom. It will walk you through a few simple steps to be able to utilize either your bank account directly or a debit card.
- Completing those steps you're now ready to give to Redeemer. You can choose which fund the gift is applied to, whether you want it to be a one-time or a recurring gift, and how you would like to process your payment (via bank account or debit card).
- Then, just submit and that's it. You'll receive a confirmation and your gift in support of the work and ministry of Redeemer Church is on its way.
- Thank you!!!
