1.

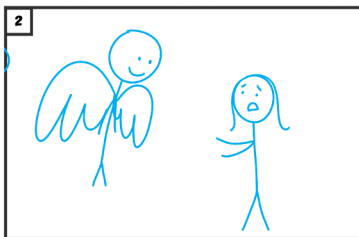

In the first box on your comic strip, you can draw a girl. This will be Mary. You can give her a happy face. She was happy because she loved God and trusted Him.

So, give Mary a speech bubble that says, "I love God!" What kind of things do you think Mary did to show love to God? (She probably loved others, sang songs to Him, did what was right, obeyed her parents, etc.)

When kids are finished drawing in this box, move on to the next one.

2.

Let's move on to the next box in your comic strip! One day God sent an angel named Gabriel to tell Mary some amazing news. You can go ahead and draw an angel with Mary standing beside him, but don't give Mary a face yet.

The angel greeted Mary and said, "The Lord has blessed you in a special way. He is with you."

Now, you can give Mary a scared face. She was scared because she had never seen an angel before. Mary didn't know if this angel's visit was a good thing or a bad thing! How would you feel if you saw an angel? (Allow responses)

When kids are finished drawing in this box, move on to the next one.

3.

Let's finish our comic strips by completing the last box. In this one, draw the angel again, and also draw Mary, but make her belly big, like there's a baby inside!

The angel said to Mary, "Don't be afraid. God is pleased with you, and you will have a son. His name will be Jesus. He will be great and will be called the Son of God Most High."

Mary wondered how it would be possible for her to have God's Son, so she asked the angel, "But how can this be? I'm not married yet."

The angel replied, "The Holy Spirit will come down to you, and God's power will make it happen... Nothing is impossible for God!" You can give the angel a speech bubble and write what he said, "Nothing is impossible for God."

You can also draw a happy face on Mary. Even though Mary didn't understand how God would give her a baby, she believed that God could do anything. So she said, "I am the Lord's servant. Let it happen as you have said."

While kids finish drawing in this box, ASK the review questions in the lesson.
