

WEEK 2

PreK-3rd | "Possible or Impossible?" Activity

Need to Know: *Nothing Is Impossible for God Bible Story: An Angel Visits Mary*
(Luke 1:26-55)

Supplies: *Attached Headline Cards (printed & cut)*

1. **SAY:** *Now, let's play "Possible or Impossible?" by reading some news headlines. When it's your turn, pick up a North Pole News **Headline Card**. I'll read it out loud, and if you think the headline is possible or something that really happened, then give me a thumbs up. But if you think it's something that is impossible or something that never happened, then give me a thumbs down. Let's see how many you can guess correctly.*
2. **HAVE** kids take turns using picking up a **Headline Card**.
3. **READ** the **Card** aloud to the group, and **ALLOW** the group to respond with either a thumbs up if they think the headline is possible or a thumbs down if they think the headline is impossible. Any **Card** that mentions God or Jesus is possible, and any **Card** that doesn't mention God or Jesus is impossible.
4. After each headline, **ASK** the kids if it is something that is possible for them to do. (Ex: Can you make a person? No!) Then, **ASK** if it's possible for God to do it.
5. **REVIEW** the **Need to Know** by having kids repeat it after you with motions:
