

WEEK 5

Tell Others Bingo Game

Need to Know: *We Should Tell Others About Jesus*

Bible Story: *The Shepherds (Luke 2:8-20)*

Supplies: *Attached Bingo Card, Tell Others Cards (printed & cut), Crayon or Pencil*

1. SAY: *Now let's play "Tell Others Bingo" to help us remember the people we can tell about Jesus. To get started, I'm going to give each of you a **Bingo Card** and a **drawing utensil**.*
2. GIVE each child a **Bingo Card** and a **drawing utensil**. Then, SHUFFLE the **Tell Others Cards** and PLACE the pile in the center of the group, picture-side down.
3. HAVE kids take turns choosing a **Card**, showing it to the group, and giving it to you. Then, READ the back of the **Card** out loud, and HAVE kids put an "X" over the matching picture on their **Bingo Cards**.
4. The first child to get four in a row and say, "BINGO," is the winner. CONTINUE playing until most kids have gotten "Bingo."
5. REVIEW the Need to Know by having kids repeat it after you: *We Should Tell Others About Jesus*

Additional Option for Older Kids to Generate Group Discussion

1. SHARE a story with the group about a time when you told someone about Jesus.
2. GENERATE additional group discussion for 5 to 6 minutes by reading a few questions on the back of the **Tell Others Cards** or by asking the following questions:
 - *Who are some people you can tell about Jesus, and how can you tell them about Him?*
 - *Jesus says that people will know about Him by watching us. When people watch us, what do you think we do that tells them about Jesus without saying a word? (Love and help others, be generous, be kind)*

Note about printing attached **Tell Others Cards**:

They are formatted to be printed double-sided (aka, duplexed). You can also print one-sided, cut cards apart and use by matching the letter on the picture card with the same letter on the question card. For example, if a child picks up the picture with letter "A" on it, you will read from the question card with the same letter.
