

Faith Promise is an amount of money you believe the Lord will provide to missions through your hands. Faith Promise giving is separate from your tithing and may be given all at once, through regular contributions, or at various times during the year. No one checks up on your commitment—it's between you and God. Be prepared to watch for how He provides the funds. Your faith will be increased as you watch His power unfold in your life. Our missions team uses the total amount of Faith Promises committed to help them in preparing the missions budget for the next year.
