

## ad·vo·cate

(*n.*) a person who supports and champions the cause of another.

We partner with missionaries who are taking the Gospel around the world and we advocate for them, as Jesus does for us before our Father. We pray for them. We support them financially. We seek to encourage them. As we support and champion their work for God's Kingdom, we want them to know they have a strong home team rooting for them!

Members of our RAM team are linked with one of our missionary partners and invited to become a special friend who will advocate for them in even more specific ways.

Our ultimate goal is to let our missionary partners know they have a family at Redeemer who loves and cares for them, is grateful for the sacrifices they are making to share the Gospel, and will welcome them with open arms whenever they come for a visit!

We welcome new RAM team members! Check out our [Advocate Guide](#) and if you'd like to inquire further about serving in this area, contact Cary Hamilton at [advocate@redeemerpc.com](mailto:advocate@redeemerpc.com).
