

Missions Team

Whether it's supporting missionaries or leading short-term mission trips, Redeemer has abundant opportunities to partner in God's work locally and across the globe.

Our Missions Team shares their passion to reach the nations for Christ through creating, planning, and inspiring participation in mission-focused activities throughout the year.

Missionaries are called to walk by faith and do bold works for God. As the literal connection to our mission partners, the Missions team helps our Redeemer family to grasp the critical role we have in encouraging each of our partners in their calling. The team guides us in recognizing the blessing in serving our mission partners by investing in them financially and spiritually.

If you have a huge heart for fulfilling the Great Commission, we'd be excited to have you on the Missions Team!
