

PRAY FOR:

- Our visiting missionaries to have safe travel and to be spiritually refreshed during their time with us.
- Jesus' love to flow through our people toward visiting missionaries. For us to be sensitive to whatever special needs there are for them. Many are weary from travel and also the pressures of 24/7 ministry.
- Safe travel for our guest speakers and for the Holy Spirit to guide the messages they will bring to us throughout the weekend.
- Redeemer's mission committee and others who volunteer to make everything happen.
- A good attendance during each of the sessions and for the Sunday morning worship services.
- A generous Faith Promise offering.
- God to use this conference as an opportunity to speak to the heart of anyone in our body that He may be calling to the mission field.
- The conference to inspire each person attending to become even more faithful in their role as supporters of the world mission field.
- Pray that we will be amazed at what God is doing around the world and what He is doing through our church in this world.
