

DR. ROBERT WAFULA

[Haqqai International](#)

Dr. Robert Wafula is a university lecturer and director of career services at Kibabii University in Kenya. He is a mental health therapist, professional mediator, and certified career analyst whose passion is helping students overcome mental health or career challenges and to encounter the Gospel. Born into a polygamous family, Dr. Wafula experienced social and economic challenges as a child, as he and his 22 siblings had to fend for themselves for survival. His grandmother introduced him to Christ and helped him through school. This enabled Dr. Wafula to begin a life-long journey in the education system. He and his wife live in Bungoma, Kenya, and have eight children.
