

DEVOTE.

READ. Matthew 5:3-6

THINK. “Blessed” doesn’t mean, “God will bless you if…” It means, “That person is experiencing some part of the good life.”

How can someone be “living the good life” when bad things are happening to them?

Does finding a blessing make a bad circumstance good?

Where can you find a small blessing in a hard place in your life?

PRAY. for a small blessing in a hard place.
