

A stack of books is visible in the background, with a green textured background. The books have various colored spines, including blue, orange, and red.

DEVOTE.

READ. Matthew 5:21-26

THINK. “But” does not mean Jesus is disagreeing with the law. He is disagreeing that “not murdering” is all that we should do.

In addition to anger and insults, what other practices are kind of like murder?

Why do you think Jesus takes the way you value people and build people up so seriously?

Before you spend time in prayer, who do you need to go make things right with?

PRAY. for God to help you build people up.
