

DEVOTE.

READ. Matthew 5:38-42

THINK. Jesus isn't telling us to be doormats, he is asking us to resist creatively. The other cheek, the cloak, and the extra mile are all ways of shaming the wrongdoer and elevating the victim.

What makes you want to hurt people who hurt you?

How can generously giving take power back?

Enabling bullies doesn't love them well. How can you creatively respond to people who hurt you?

PRAY. for God to give you courage.
