## **JEANNE MARIE**

### **Author, Global Strategist**

Jeannie Marie is the author of [\*Across the Street and Around the World\*](#) and creator of [\*The Neighbors & Nations Course\*](#), which offers free resources and training to inspire and train ordinary people to reach the three billion people with least access to Jesus with simple, “you can do this too” practical tools and encouragement.

She is also a South Asia Strategist for an international organization that sends people to serve in fifty Muslim countries around the world.

Previously, God led her across the street right here in America to befriend international students, welcome refugees, work with community development nonprofits, and serve a church mobilizing others to go to the nations. She’s also planned (or traveled on) over fifty vision, professional, and survey trips to spiritually strategic countries.

Eventually, she moved with her family to live and work around the world in the colorful, chaotic country of India in an unreached, unengaged people group of ten million as Kingdom entrepreneurs.

Also an instructor for Perspectives, Pathways to Global Understanding, and Justice College, she now lives with her husband and four children in Arizona, still having lots of adventures across the street and around the world together.
