

2026 GIVING

REDEEMERCHURCH

We seek to Devote our whole heart to God. We do this in prayer, in scripture reading, and in giving. Very often, when we give money, part of our heart goes with it.

While our ministry at Redeemer runs on faithful giving, the goal is not for you to give money to church, per se. The goal of Christian discipleship is to always give your heart to God—however and wherever you give. Whether you give money or you give your time, concern, or energy, use this pledge to give your heart to God.

We hope in this coming year, you can Devote your heart to God.

FAITH PROMISE

The financial support we provide our mission partners does not come from our general budget but through a unique giving opportunity known as FAITH PROMISE—an amount of money you believe the Lord will provide to missions through your hands. You pray. He answers. If you feel so led, we'd love to know what you might be anticipating as your 2026 Faith Promise pledge.
