2027 GIVING

REDEEMERCHURCH

At Redeemer, we seek to give our whole hearts to God through prayer, Scripture, and generosity. Giving is a personal response to His love and an opportunity to express our faith and gratitude through the gifts we offer.

As you prayerfully consider your giving for the coming year, this card provides an opportunity to indicate your intended giving to our **General Budget**, which sustains the work of the Gospel at Redeemer through worship, fellowship, church ministries, service to our community, and the staff and facilities needed to carry out our mission.

In February, we will have a separate opportunity to respond through a **Faith Promise** to support our mission partners who share the Gospel beyond our church. These are two distinct ways we participate in God's work, both within our congregation and beyond our walls.

Keep this top section for your records and return the bottom section at our November 29 worship service. Pledges are confidential and only seen by our Financial Adminstrator, Vicki Adams, for budget preparation.
